

Day Support Services provide the opportunity to gain skills that promote community participation. While receiving quality support, participants are offered opportunities to learn and apply essential life skills such as self-advocacy, independent living, health and wellness, community safety, and social skills.

COMMUNITY-BASED DAY SERVICES

Integrated into the local community, the programs use a variety of community settings to provide daily meaningful, person-centered experiences.

Experiences may include: volunteering for and with other organizations, fitness activities, museums, bowling, fairs, shopping, business tours, outdoor events and so much more.

Our experienced staff provide guidance and support while creating an enjoyable and individualized plan for participants to enhance community access and improve their social skills.

Other benefits include: building community connections, socialization, individualized planning, increased confidence, staying active, and friendships!
